

# Mentorship: The Essential Guide for School and Business

Mentorship: The Essential Guide for Schools and Business Selected as one of the best School to Work Programs by the U.S. Department of Education. Many students learn best in mentorships, either as an alternative educational experience or as an added component to traditional education. Mentorships are being used increasingly by business leaders, companies, and schools. This book describes how to establish a highly successful program similar to that developed by the author. Criteria and sample forms for establishing a mentorship program are included and may be copied.
