Jilted Bride Stranded with a Notorious Playboy Anna Constantinides, publicly humiliated when her long-time fiancé announced his engagement to someone else, might have thought things couldn't get any worse. Until her private jet crash-landed on an uninhabited island, leaving her stranded with billionaire hotel magnate Leo Jackson! Renowned playboy Leo's reputation is legendary and, if the smouldering looks they were fighting to contain when rescued are anything to go by, there can only be one question on everybody's lips: just how long did it take wickedly sexy Leo to undress buttoned-up heiress Anna?!
