

## Little Boy Blue: Finding Hope After Miscarriage

These true stories of heartbreak and healing will not only remind readers that they aren't alone, but that hope exists. - Richard Paul Evans, New York Times bestselling author of *The Christmas Box* and *The Walk* series

For many women, becoming a mother is the fulfillment of a lifelong dream. For some, though, that dream is delayed or destroyed because of miscarriage. It's a painful, devastating experience that happens to roughly one in three women, and overcoming it is a long and difficult journey. It is, however, not without hope. In *Little Boy Blue: Finding Hope After Miscarriage*, fifteen authors share their experiences with loss, grief, despair, and then eventual healing. Told from an LDS perspective, these stories will reach the hearts of readers of all faiths and help them understand that they are not alone, that there is still joy and peace to be found in their lives. Contributing Authors: Stacie Alfaro, Trisha Sisson Brimhall, JoLyn Brown, Monique Bucheger, Deena Campanile, Cheri Chesley, Rachelle J. Christensen, C. Michelle Jeffries, Stephanie Nelson, Karen Pellett, Tristi Pinkston, Rebecca Rode, Andrea Tao, and Abigail Wheelwright.
