

Raw Desire - Complete Collection

Here, presented in one volume, are the four stories that comprise the Raw Desire Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions of sex and emotion. Two weeks after breaking up with her fiance, Ava Parker walks down the aisle in church as a bridesmaid. The pitiful glances she receives along the way make her grit her teeth, because apparently, she is expected to be morose and miserable that her cheating fiance is finally out of her life. However, one pair of eyes stares at her differently, in a way like never before and these eyes are situated right at the end of the aisle, next to the groom. It is not pitiful, not sympathetic, and the green orbs glitter with interest as they rove over her boldly. Its a gaze unlike any shes met before. Will Ava be able to deal with everything that the owner of that strong lusty gaze has in store for her vulnerable body and heart? Like Ava, Mark Vidal has also just ended a relationshipa relationship that tested his partners boundaries as a Submissive. Ava is unlike any other woman he has ever laid eyes on, and as she stumbles beneath the heat of his possessive glare, he vows to make her hisno matter what the cost. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
