

Caitlins Cowboy (Mills & Boon Cherish) (Home on the Ranch, Book 35)

Zack Carson figured the city girl whod inherited the ranch he worked on was going to be trouble. Thats why the loner was ready to leave the minute she turned up. But Caitlin Jackson wasnt what hed expected. Caitlin seemed to have it all together when she arrived. But why would an attractive divorcee give up her cushy condo and move to the middle of Nowhere, Wyoming?And then Zack learned that somewhere in her past shed lived through an event as traumatic as the one hed survived. And as each day brought them closer, the cattleman started to doubt if he really was better off alone.
