

Nobodys Perfect

Nella Covington cant believe shes agreed to marry the arrogant Samuel L. du Cannon, even if its only a marriage of convenience. He needs a mother for his small son, and she needs to keep her beloved childhood home. Will she be able to stand his egotistical attitude? His domineering manner? But Jake is such a darling little boy! And hes already captured her heart. What does she have to lose? If Sams work keeps him on the road enough, she wont have to deal with him much at all. Maybe this just might work. All Sam du Cannon wants is a good mom for his son. Hes had it with women. Doesnt ever plan to get involved with another woman again. That makes Nella perfect for him. Hes never been overly attracted to plus-size women, so if Nella agrees to marry him, he wont have to worry about being tempted to have a relationship with her. At least, thats what he keeps telling himself. As they lay exhausted from making love, Sam said, You are, without a doubt, the most passionate woman I have ever known. And you turn me on more than any woman ever has. Not knowing what to say, Nella just reached up and lightly kissed him. You aint seen nothing yet, she whispered her promise.
