A Gospel Freed From Christianity ONE The Gospel According to Mike uncovers the good news in a way never before examined in traditional religion by removing layers of sectarian doctrines and denominational views that have been piled upon it for centuries. This truth returns the message of Christ to its deserving and proper place of being called Good News. Its a gospel unhidden and unfettered by the dogma of theologians and institutions. It is a gospel freed from Christianity. A gospel based solely on scriptural and Biblical foundations.
