

## Back in Babys Arms

With her husband's dying breath, he promised to send Maddie an angel to heal her brokenheart. So every day in the year since Wayne's tragic boating accident, she's been watching for someone. Rescued from a storm at sea, Chase can't remember who he is or where he came from--so he travels from port to port, looking for clues to his past. But his presence is shaking up the small Florida coastal town of Sugar Bay, and bizarre things are happening to Maddie and her family. Whoever this stranger is, he's working some serious miracles. As Chase's shocking past and true identity begin to emerge, it leads Maddie to a disturbing mystery, unexpected danger--and the determination to fight for a love she knows can only be Heaven-sent...
