

Preschool Basics

Help get your little one excited about learning! This colorful, 32-page Preschool Basics workbook presents activities that will help prepare your child for success in kindergarten. The content covers skills so important at this level, in a simple, uncluttered format. Each page is designed to be child-friendly with charming illustrations. Because children are not expected to write at this age, the activities do not require this skill. Small hands accomplish big goals just by drawing lines or circling appropriate objects to show an understanding of the lesson. With a little help and encouragement from you, your preschooler will find hours of fun and learning.
