Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Through real-life stories about children, their families, and their teachers, and through the use of the most recent evidence-based research on special education, this important book provides a comprehensive introduction to special education and its relationship to general education. The seventh edition provides this experience within the framework of three guiding themes: Inclusion, Partnerships, and Universal Design for Progress. Long noted for its focus on progress in general education through inclusion, families, and parent-professional partnerships, the new seventh edition of *Exceptional Lives: Special Education in Today's Schools*, now includes a "Universal Design for Progress" feature in every chapter which highlights a technology that can be used to meet the needs of students with disabilities. This text stands out from the crowd with its strong belief in the capacity of special educators, general educators, related service professionals, and families to collaborate with one another for inclusion, and that inclusion is not only possible but desirable. 0132862581 / 9780132862585 *Exceptional Lives: Special Education in Today's Schools Plus MyEducationLab with Pearson eText -- Access Card Package 7/e* Package consists of: 013282177X / 9780132821773 *Exceptional Lives: Special Education in Today's Schools 7/e* 013290876X / 9780132908764 *NEW MyEducationLab with Pearson eText -- Standalone Access Card -- for Exceptional Lives 7/e*
