[Siren Menage Everlasting: Erotic Menage a Trois Romance, M/F/M, HEA] The explosion that put firefighter Taylor Parke in a coma took more than those two months of his life. He lost nearly a decade of memories-his friends, his beloved career, and the woman he couldn't live without. All he can do is start over and Carly Madison, with her sultry body and brown-sugar eyes, seems like the best place to begin. Firefighter Jax Darwin envies his best friend's memory loss. He'd give anything to forget the love he still feels for Carly. No matter how hard he's tried, he can't get the headstrong, vivacious beauty out of his system...especially now that she's working at his side. Her position as lead paramedic wasn't the only thing Carly gave up to become a firefighter, but Taylor and Jax left her little choice. She's tried to move on, but some flames are too hard to put out and the three of them are about to learn true love deserves to be remembered. \*\* A Siren Erotic Romance
