A woman in my bed is one thing. But in my cockpit? Hell, no! Lieutenant Nolan Galway, United States Marine Corps Sharing flight duty with beautiful Lieutenant Rhona McGregor was dangerous. But with lives at stake in the earthquake-shattered L.A. Basin, Nolan didn't have time to argue. He needed a copilot, and he'd just have to draw on his military discipline to keep his desires in check. But from their first death-defying flight, Nolan realized he and Rhona shared something even more powerful than passion. For suddenly his hard heart thundered with something that felt perilously like love.
