

Annie and the Outlaw (Silhouette Intimate Moments Book 1)

Harley-riding hellion Gabriel Donner had broken every rule, sinning enough for at least two lifetimes. And it would take just as long to right all his wrongs and earn his way to heaven. But his time was running out. Then Gabriel rode to the rescue of an old-fashioned damsel in distress. Sweet Annie OBrien desperately needed a guardian angel, and in her innocent eyes, his biker shades and outlaw leather shone like a halo and wings. Clearly Annie offered him salvation. Or did she? Loving her would be heaven, losing her, pure hell. And lose her he must. Unless time somehow stood still, erasing his past and rewriting Annies future.
