

Seeing God: Twelve Reliable Signs of True Spirituality

TV evangelist scandals. More varieties of Christianity than Baskin-Robbins has flavors. These are times of pluralism and disenchantment with organized religion. How do Christians today know which leaders and companions in faith to trust? For help, Gerald McDermott returns to the work of Jonathon Edwards, the 18th century preacher and college president widely regarded as the greatest American theologian ever. Edwards wrestled expertly with similar questions arising from frontier revivalism. Now McDermott, not only a leading Edwards scholar but also a master teacher, makes Edwards insights accessible and practical for today's Christians. *Seeing God* offers a clarifying glimpse at the signs of genuine Christianity - yesterday, today and for the ages.

How can you tell a True Christian when you see one? TV evangelist scandals. More varieties of Christianity than Baskin-Robbins has flavors. These are times of
