He doesnt need another one. When he discovers just who the king wants to mate him to, Konstantin realizes he might have to rethink his objection. Prince Mikhail Dubolazov has loved Konstantin for years, serving the man faithfully as his manservant just to be at his side. When the king orders Konstantin to mate, Mikhail sees his life slipping away. Even when his status is elevated to that of a prince, Mikhail worries he will never have what it takes to keep them. When forces beyond their control threaten all they hold dear, they will need more than trust to keep them together. They will need the belief that only by standing with each other do they have a chance of beating a foe that works in the shadows. ** A Siren Erotic Romance
