

## Bewitched: In Too Deep//Married to the Boss (Hqn)

Two steamy classics from New York Times and USA TODAY bestselling author Lori Foster. In *In Too Deep*, P.I. Harry Lonigan wasn't fooled by her disguise. The waif dressed as a boy, who was about to blow his cover and maybe get herself killed, was every inch a woman. His first priority should have been reuniting Charlie with her estranged father, but her first priority was to seduce Harry, and before Harry knew it, he was in too deep. In *Married to the Boss*, Dana Dillinger had been R.J. Maitland's right hand for years, loyal, dependable, and hopelessly, secretly in love with him. So when he popped the question to prove he wasn't the playboy the press labeled him, she accepted his proposal. But where R.J. envisioned a marriage in name only, Dana refused to settle for anything less than his heart.
