Only 2 left in stock (more on the way). . Keeping the Moon An original and thought-provoking novel about isolation and independence by a talented young author. Three cheers for Sarah Dessen for giving us Keeping the Moon and its two predecessors, and Colie was different from my other narrators because she was so angry, and as a writer I really enjoyed getting into her voice. If you read my novels, you'll see that I love a book set in the summer: it's such a good, Dreamland.
