

How do you get to know someone in a wheelchair? Is it okay to ask questions when you see someone who is different from you? Written for the child without special needs--the child with the questions--this book opens up a difficult subject to discussion. Mister Rogers challenges the stereotypes that often plague children with special needs and celebrates six children who are extraordinary friends. Share this book with all children--to spark communication, to attack the stigma, to bridge the gap between children with different abilities. Mister Rogers is the perfect person to write a book like this, with respect and the same gentleness that has characterized his television show for decades. Rogers offers caring support and validation...Books that offer such honest reassurance are rare.-- Publishers Weekly

Templars in America: From the Crusades to the New World, American Heroes: Dispatches from a Decade at War (War Stories Series), Educational Psychology: Active Learning Edition (12th Edition), The Ingenious Engine of Reality, La promesse de lete (Nora Roberts) (French Edition), The Awakened Heart and The Moon for Lavinia (The Betty Neels Collection), Diona and a Dalmatian (La Coleccion Eterna de Barbara Cartland) (Volume 9), Bundle: Business Communication (with Teams Handbook), 16th + Aplia Printed Access Card + Aplia Edition Sticker, John Locke: Writings on Religion,
