

Talons of the Falcon (Peregrine Connection)

Would His Lips Tell a Lie? He had obsidian eyes and raven hair, unbounded skill and a masterful air and for a time Eden Sommers loved him. But five years ago, Lt. Col. Mark Bradley disappeared. Though she tried, she couldn't forget him especially when a clandestine agency secreted her off to a windswept island to face him once again. But was the man who claimed to have stolen away from his captors the real Mark Bradley? She'd spent nights in his arms, but now her days could be numbered. For if Mark hadn't been brainwashed by the enemy, as was suspected, then he was a cleverly coached imposter whose look, whose touch, whose kiss only Eden could tell.

What makes a raptor a raptor? good vision. curved beak. talons. Research Resources.
