

NIGHT RIDERS... They were a crack team of Confederate raiders, striking behind enemy lines under cover of darkness, operating with one mind, one heart. Until one of their number betrayed them all. In the aftermath of tragedy, they swore they would live to hunt down the traitor. But to each, life would bring first a woman and then a revelation: Far sweeter than revenge is love. OWEN... He was the good-looking one, the one who always counted on his charm to get by. But the war had changed them all, leaving Owen painfully aware that looks could kill as surely as bullets. On the trail of the traitor, he no longer prided himself on his ability to break hearts, especially when the heart belonged to a girl as plain-featured and plain-spoken as Hetta Gwynne. Hetta made it clear she had no interest in winning a man, only in winning back her ranch. But after tasting her surprisingly heated kisses, Owen realized it was his own heart that was in danger of breaking unless he could change her mind. #2 in the Night Rider Series
