

I Aint Got Time To Bleed: Rebuilding the body politic from the bottom up

When he left the navy SEALs to become a pro wrestler, the fans knew him as Jesse, the Body. When he hosted his hard-hitting KFAN radio talk show, he became Jesse, the Mouth. And now that this body-slamming, straight-talking, charismatic hero is masterminding Minnesotas gubernatorial decisions, youd better start calling him Jesse, the Mind. In I Aint Got Time to Bleed, Jesse Ventura reveals the secret of his landslide electoral success-with record voter turnout-and maps his innovative strategies for pioneering a new era in American government. In his own inimitable words, he takes on bloated government, career politicians, and apathetic voters, and tells the wildly colorful story of his days as a navy SEAL, his nights in the pro-wrestling ring, and his experiences on radio and in films like Predator and Batman and Robin . I Aint Got Time to Bleed is Rocky meets Mr. Smith Goes to Washington-a book that will challenge readers ideas of traditional government as it introduces them to one of American politics most ferocious new heroes.
