

The Desert Lords Bride (Throne of Judar)

The future of Judar rests with Farah Beaumont, a foreigner who wants nothing to do with her heritage. And to secure his country's peace, prince Shehab Aal Masood must make her his bride by any means necessary. Hiding his identity and sweeping Farah off her feet is a start. But the joyful, seemingly innocent Farah is nothing like he expects. And Shehab's calculated seduction soon becomes an affair too powerful to control.
