

The Dubious Miss Dalrymple (Mills & Boon Silhouette)

Forced to assume a false identity, John Bates journeyed to the new Earl of Hythes home to uncover a murderous plot. There he found Elinor Dalrymple, sister to the newly ensconced earl and mistress of his seaside estate. At first glance, John dismissed her as merely a staid spinster. Yet once she let down her hair, sweet Elinor transformed into a beautiful butterfly and a feisty damsel who was dubious of his devilish rogue persona. Suddenly John's carefully orchestrated masquerade was crumbling under his own desire to reveal his true self to Miss Dalrymple!
