

The Man to Be Reckoned With (Harlequin Large Print Presents)

She wanted peace...Riya has always lived in the shadow of elusive billionaire Nathaniel Ramirez, her adoptive father's son. Determined to reconcile and put the past behind them, she lures Nate home with the one thing he's always wanted: his family estate. But she's started a war! Even though he's furious that Riya has brought him back to face his past, Nate can't refuse her bait. The only glimmer of hope is the attraction he sees burning in her eyes. He'll use every sensual weapon in his considerable arsenal to claim his heritage and get her in his bed! Praise for Tara Pammi *The Man to Be Reckoned With* 4.5* RT Book Review Pammi's romance is a bittersweet tale, set on a grand English manor. Her enigmatic, loner hero bent on revenge and innocent, intelligent heroine wanting forgiveness play their roles perfectly. But it's the intensely heart-wrenching conclusion that's the perfect icing on this drama cake. *The True King of Dhaaar* 4.5* RT Book Review Exotic locales and ostentatious riches enhance this disturbing, poignant second-chance desert romance. The willful, broken Arabian prince and offbeat Middle-Eastern heroine doctor both harbor destructive secrets and thwarted passion in this painfully sincere twist-of-fate tale. *A Deal with Demakis* 4.5* RT Book Review Pammi's romance is a losing (but entertaining!) battle of wills, set on a jewel in the Greek Isles. It stars a know-it-all, emotionally damaged Greek tycoon and a down-but-not-out heroine, whose interludes are meteoric.
