

The God Box: Sharing My Mothers Gift of Faith, Love, and Letting Go

When Mary Lou Quinlans beloved mother, Mary Finlayson, dies, her family is bereft - until Mary Lou searches for her mothers God Box, her private cache of notes to God on behalf of family, friends, and strangers. To Mary Lous amazement, she finds not one but 10 boxes stuffed with hundreds of tiny petitions that span the last 20 years of her mothers life. Note by note, Mary Lou unearths a treasure of her mothers wishes and worries and insight. Mary asked God for everything from the right flooring for her daughters home to a cure for her own blood cancer. Her requests, penned on scraps of paper, were presented without expectation - the ultimate expression of letting go. Follow Mary Lous emotional journey as she uncovers her mothers innermost thoughts - nostalgic, surprising, and even shocking. As she recalls life with the woman who was her best friend, Mary Lou discovers her own more empathetic, engaged self - the woman her mother had believed in all along. Poignantly narrated, The God Box is a gift for every mother, every daughter, every person who, regardless of beliefs, trusts in the permanence of love and the power of family.
