

In Defense of Israel (Hebrew Translation) (Hebrew Edition)

This is the Hebrew Translation of John Hagees book about Israel and the Middle East. The Hebrew title is Lehaganat Yisrael. Why is the Middle East in such turmoil? Is the modern State of Israel in the plan of God? Can and should Christians do more than pray for Israel? Does Gods Word contain instructions to Christians regarding the treatment of Jewish people? In the near-thirty years John Hagee has been a lover of Israel, he has grappled with each of these questions. Like him, most Christians today dont know much about the Jewish faith or the history of the Jewish nation. They dont understand what is truly at stake in the Middle East conflict and why Christians need to do more than just pray for the peace of Jerusalem. They dont know the role theyve been called to play in relationship with Israel, and they arent sure how God feels about Israel today, either. As Hagee guides readers through the scriptures that explain why Christians need to stand with Israel and the Jews today with as much fervor as God does, they will encounter a man deeply passionate about loving this historic people of God. Theyll be inspired to take up that same mantle of love and play a part in extending acceptance and favor to the people of Israel, just as God has called them to do.
