

The Positive Principle Today

The positive principle is based on the fact that there is always an answer, a right answer, and that positive thinking through a sound intellectual process can always produce that answer. -- Norman Vincent Peale

How do you turn potentially devastating situations into actual life-strengthening experiences? Through the positive principle. In this groundbreaking book, Dr. Peale shows you how to renew and sustain the power of positive thinking...and take a new look at the word impossible. Using the positive principle, you'll learn how to:

- Organize your personality forces into action
- Use self-repeating enthusiasm
- Drop old, tired, gloomy thoughts and habits
- Work wonders with a can-do attitude
- React creatively to upsetting situations
- Believe that nothing can get you down
- Use the power of faith to come alive
