

Chicken Soup for the Teenage Soul: The Real Deal Friends: Best, Worst, Old, New, Lost, False, True and More

Friends. You gotta have em, but sometimes they drive you crazy. You love em, but sometimes they make you mad. Theyll help you through a crisis...unless they are the crisis. So Whats the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or betray your trust, or flake out, but mostly they are the people who are always there for you. And they know youll be there when they need you most. Because thats what it means to be a friend. Sometimes friendship is overwhelming, sometimes its confusing, sometimes you feel like you dont have a friend in the world, but dont worry, its like that for everyone. Thats what the stories in this book are all about. Theyre from real teens, and theyre about the bizarre, difficult and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice and quizzes designed to help you figure out what you and your friends are all about, and youve got the real deal on friendship!
