

THE STONE PRINCESS (Harlequin comics)

Petra met Caine on her eighteenth birthday. Though Caine was only in his twenties, he had already made a name for himself as a talented investor. He radiated confidence, and Petra fell in love with him at first sight. They were soon wed, but behind her back, Petra's aunt and uncle, the people who raised her, sought to use Petra and Caine's passionate love to extort money from him! Betrayed and furious, Caine decides to take out his rage on Petra...
