

# The Works of Samuel Johnson, Vol. 1 of 2: With an Essay on His Life and Genius (Classic Reprint)

WHEN the works of a great Writer, who has bequeathed to posterity a lasting legacy, are presented to the world, It is naturally expected, that some account of his life should accompany the edition. The Reader wishes to know as much as possible of the Author. The circumstances that attended him, the features of his private character, his conversation, and the means by which he rose to eminence, become the favourite objects of enquiry. Curiosity is excited; and the admirer of his works is eager to know his private opinions, his course of study, the particularities of his conduct, and, above all, whether he pursued the wisdom which he recommends, and practised the virtue which his writings inspire. A principle of gratitude is awakened in every generous mind. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
