

The Jesus Connection: To Triumph Over Anti-Semitism

The Jesus Connection: To Triumph over Anti-Semitism by Leonard C. Yaseen with an introduction by the Christian Evangelist Billy Graham, is written for non-Jewish audiences by a Jewish man to give understanding about Jesus, Christianity and how it relates to Judaism and vice versa. It is not a theology book. Yet it is an intellectual goldmine. Billy Graham points out that his reputation speaks for itself and that he wholeheartedly endorses Mr. Yaseen's book to help get rid of misunderstandings that so many people hold about both Judaism and Christianity. Mr. Yaseen also points out that Jesus of Nazareth was Jewish and a devout one at that.
