

Black Cat Strut

Isaac Fraser is ready to take his friendship with Austin Damoth to the next level but his sexy coworker avoids his every move. But Isaac isn't giving up and he has a foolproof plan to get closer to Austin. As a stray cat, he can show Austin attention and affection without the fear of another rejection. Coming clean about being a shifter is a risk but Austin has a secret of his own. Sex and passion aren't Austin's problem, but they might be the answer. A Romantic gay erotic romance from Elloras Cave
