

## Truly Madly Deeply: A Carly Phillips Collection

A collection of three full length novels by New York Times Bestselling Author Carly Phillips. **PERFECT PARTNERS** No sooner had Chelsie Russell and Griffin Stuart lost their siblings in a car crash than they find themselves fighting for custody of their two year old niece. Griff wins only to discover Chelsie is the only one who can soothe the child's night terrors and fears. Chelsie and Griff bond over the little girl and their growing sexual desire is mutual. But is it enough? Chelsie's been hurt before and Griff isn't sure he can trust the woman who once tried to take his niece away. What will it take for them to realize they are ... perfect partners? **THE RIGHT CHOICE** Advice columnist Carly Wexler is convinced she can map out her path to happiness and that includes marrying her best friend. No sexual sparks? No problem, or so she thinks. Until Mike Novak, her fiancée's brother arrives for the wedding. Carly has never experienced desire like Mike ignites inside her and it shakes everything she's ever believed in. Add Mike's determination to stop this wedding of mismatched opposites and Carly is forced to reevaluate her best-laid plans. Can she accept that her unexpected love for Mike is the right choice for her after all? **SOLITARY MAN** After an intense night of passion to block out shared grief, jaded cop Kevin Manning abandons Nikki Welles, convinced she deserves more than he can ever give. He returns months later to discover she's pregnant with his child, juggling work and pregnancy alone. Nikki doesn't regret the baby she's caring for but she wants nothing to do with Kevin and his apologies. It's time for Kevin to prove to Nikki he's worthy of her love and capable of creating a family. But it's up to Nikki to forgive.
