

# The Uddhava Gita: The Final Teaching of Krishna

Widely read, The Bhagavad Gita is a classic of world spirituality while The Uddhava Gita has remained overlooked. This new accessible and only English translation in print of The Uddhava Gita offers a previously unexplored path to understanding Hinduism and Krishnas wisdom. Written centuries apart, the ideas of the two dialogues are similar although their approach and contexts differ. The Bhagavad Gita is filled with the urgency of battle while The Uddhava Gita takes place on the eve of Krishnas departure from the world. The Uddhava Gita offers the reader philosophy, sublime poetry, practical guidance, and, ultimately, hope for a more complete consciousness in which the life of the body better reflects the life of the spirit.
