

Under the Knife: A Beautiful Woman, a Phony Doctor, and a Shocking Homicide

Handsome, charming, and a fixture on the New York City club scene, Dean Faiello had built a thriving beauty business. But money was never enough for Faiello, whose hard-partying ways constantly left him on the edge of ruin. So he did the unthinkable and worked as a cosmetic surgeon?even though he had no medical degree, or training whatsoever.In the spring of 2003, a beautiful, successful woman named Maria Cruz went to Doctor Faiello for a relatively simple cosmetic procedureand succumbed to a fatal complication while under his care. Faiello allegedly buried her corpse beneath a concrete slab at his Newark, New Jersey home?and went on the run. It was only after Cruzs body was found that the true callousness of Faiellos plan would be dissectedand he would be accused of putting her UNDER THE KNIFE
