

The Tycoons Very Personal Assistant (Mills & Boon Modern Heat)

From a compromising position Kate Denton was stranded in a Nevada hotel with nothing but her underwear and her passport! She desperately needed some money to pay for a flight home, so she threw herself on the mercy of the hotel owner: dark, brooding, incredibly sexy Zack Boudreaux to a position in the boss's office. The feisty English girl was so full of outraged indignation Zack was certain she was no hooker, despite first appearances. He'd given her a bathrobe, but she was also insisting he gave her a job. And after seeing those tantalising knickers he struck a deal: for two weeks she would be at his beck and call as his very personal assistant. Preferably without the knickers.
