

Wanderlust (The Walker Family Series Book 4)

Gia Gallow has traveled the world. Her wanderlust landed her in Georgia where she has created a life for herself away from the petty differences of relatives and domineering ex-lovers. Having settled in America, she has a successful business and dear friends and the attention of both Dane and Russell Walker. Due to her own family's dramas over dueling hearts, she might have to forget about her feelings for Dane to keep peace within the Walker family, but sometimes even running thousands of miles away can't keep a heart from going after what the heart wants. And Gia's heart wants Dane.
