

When Its Time to Say Goodbye

When Its Time To Say Good-Bye, is a beautiful story of life, love, perseverance and the will to survive even when all seems hopeless. It will grace you with the understanding and significance of each and every breath we take. It will hopefully give you the courage to take chances as you will be introduced to the beast we all know as death and you will confidently learn to embrace its threat without fear. You will share in the laughter as well as the tears that cascade our lives each and every day. However, the authors true desire is that once you read her story, you will walk away with a belief. It doesnt matter what or who you believe in - just that you believe in something - anything at all - so that when it comes time for you, yourselves to have to face the task of saying good-bye, that your passage may be graced with contentment and peace as you all enjoy the journey of life - and follow that yellow brick road!

Sure, it sounds lovely when Bocelli sings it with oodles of Italian authenticity Time to Say Goodbye was originally released as a single for - 7 min - Uploaded by AndreaBocelliVEVOAndrea Bocelli and Sarah Brightman: Time To Say Goodbye (HD) Live From Teatro Del - 30 sec - Uploaded by Danny CasaleWinter is here.
