LEARN:: How to Forever Eliminate Writers Block and Write THOUSANDS of Words a Day Do you struggle to write every day? Many people dream of becoming a successful author, but cant *find* the time to write. The truth is this: Great writers dont have more time than you do. They make time to write. Not only do they make time, they also follow specific routines that help them avoid writers block altogether. By developing the writing habit youll have the confidence to sit down in front of a computer every day, knowing the words will come. **YOUR GOAL::**

Write 2,000 Words a Day -- Every Day! One of the key factors to effectively developing ANY habit is choosing a specific, measurable goal. So if you want to become a prolific writer, then youll need to choose a specific word count for each day. While I *suggest* 2,000 words as a goal, you can pick any number that fits in with your busy schedule. You might choose 500 or 1,000 words a day. Or, you might have more time than I do (or write faster than I do) and choose to write 3,000 or 10,000 words each day. The important thing is to establish a daily word count goal and then stick to it. In Writing Habit Mastery youll learn how to incorporate writing into your daily routine. What youll get is a strategy and list of tools that will help you develop a sustainable writing habit and demolish writers block.
